

Mark Richard Insurance – exciting new rebrand!

The 1st of June 2023 marks an exciting day in the 60-year history of Mark Richard Insurance...with an exciting new rebrand!

Whilst we are proud of our long history of providing top quality personal and commercial insurance policies for our loyal customers, we wanted to refresh our logo to make it more modern, contemporary, and adaptable in the digital world we now live in.

We hope you like it as much as we do!

Mark Richard Insurance have also taken the opportunity to refresh our two sub brands, Get Cover and Jap Cover.

Get Cover is our online brand for home and car insurance and retains the same brand colour as Mark Richard Insurance.

Jap Cover – our Nailsea based branch specialising in Japanese car import insurance and one of the leading providers serving the whole of the UK - retains the same logo “family” look and feel but with colours a distinct nod to the Japanese flag. Please visit www.japcover.co.uk should you ever require specialist Japanese import car insurance.

We hope you like our new look and feel!

Our strapline “Delivering client solutions since 1963” remains intact, you’ll still receive top quality customer service from our 3 branches either in person, by phone, email or social media. Our highly experienced and expert team remain at your service for all your personal and commercial insurance requirements, serving the South West and beyond since 1963!
